Booking Terms and Conditions (The Gallipoli 100 - 2015)

1. **GENERAL:** This tour has been prepared by Military History Tours (Australia) (MHT).
2. Military History Tours (Australia) (MHT), urges you to read the booking terms and conditions and contact us if you need any clarification. MHT reserves the right to make amendments to the program should conditions beyond the control of MHT change.
3. **DEPOSITS:** A deposit of AUD \$500.00 per person is required to secure a booking on the tour.
4. **BOOKINGS:** Bookings to be made direct with MHT. The registration form enclosed must reach MHT, together with the deposit, to secure a reservation.
5. **FINAL PAYMENT & CANCELLATIONS:** Full payment is due not later than 31 March, 2012. Full refunds for cancellations are available up to 31 March, 2012.
6. **TRAVEL DOCUMENTS:** If you are travelling on an Australian passport, visas are issued at point of entry to Turkey. There is a charge for the visa. We recommend that your passport has a minimum of 6 months validity at the time of your departure from Australia. If you are travelling on other than an Australian passport you should check with MHT or your travel agent as regards the requirements.
7. **ACCOMMODATION:** All accommodation for this tour is on board the chartered, sole use ship
8. **CHILDREN & INFANTS:** No deposits are required for children under 12 years of age. However, they should be detailed on the registration form so that appropriate accommodation is provided. The cost for children under 12 at the time they join the ship is 50% of the adult tour price providing they are sharing the accompanying adult's stateroom or suite. For infants under 3, no charge.
9. **SPECIAL REQUESTS:** Should you have special food requirements or a disability that will require special handling please detail it on the registration form. There are a number of disability staterooms.
10. **INSURANCE:** It is not acceptable for MHT to accept people on its tours who are not holding appropriate travel insurance. It is your responsibility to arrange this and we will ask for your confirmation that you have insurance before the tour commences.
11. **INCLUSIONS & EXCLUSIONS:** A list of the inclusions and exclusions are shown on the Gallipoli 100 flyer and the Military History Tours website.
12. **TOUR CANCELLATION:** MHT reserves the right to cancel this tour at any time prior to commencement should booking numbers be insufficient to cover costs. Should the tour be cancelled subject to this clause, all payments made to MHT will be refunded less any funds not able to be recovered from suppliers. You should take cancellation insurance as a precaution.
13. **SUMMARY:** MHT has run battlefield tours for 22 years. If you join this tour, MHT guarantee that should you have a specific Australian grave site to visit on the Gallipoli Peninsula, for family or other reasons, and providing it is registered with CWGC, we will make every effort to have you visit the site and have time to lay a wreath or poppy.
14. **LAW OF CONTRACT:** The contract for "The Gallipoli 100" tour is governed in all aspects by the law in the State of NSW and any legal action arising under the contract shall be litigated only in the appropriate court having jurisdiction in that state.

TRAVEL AGENTS: Due to the high cost of chartering a 60,000 tonne cruise liner, MHT is unable to offer the normal commission that they pay on all their normal programmes. However, we will pay \$100.00 per person for your booking and, as we do not sell any products other than our tour, we will ask you to do all flights, pre and post arrangements, insurance and other client requirements.

15. TRAVELLING WITH MEDALS

For those who wish to display their own or a relative's medals when showing their respects, the airline security situation must be recognised. Due to the pin at the rear of all medal displays, it is not always possible to carry them as hand luggage and they must be deposited in your main luggage (cargo hold bag). Valuable original medals in your cargo hold bag could be lost. Insurance can cover the cost to replace your clothing, not your great grandfather's original World War 1 or World War 2 medals. It is recommended that you purchase a duplicate set, and put it in your cargo hold bag. Leave your valuable originals at home.
